Married/ joint	Single	Head of household	Married/ separate	Dependents
\$24,400	\$12,200	\$18,350	\$12,200	\$1,100

For dependents with earned income, the deduction is the greater of \$1,100 or earned income + \$350 (up to \$12,200).

Additional standard deductions

Married, age 65 or older or blind	\$ 1,300*
Married, age 65 or older and blind	\$ 2,600*
Single, age 65 or older or blind	\$ 1,650
Single, age 65 or older and blind	\$ 3,300

* per person

Tax credit for dependents

	Modified adjusted gross income (MAGI)	Tax credit for each child younger than age 17
Married/joint	\$0-\$400,000	\$2,000
Individual	\$0-\$200,000	\$2,000

Tax credit is reduced by \$50 for each \$1,000 by which the taxpayer's MAGI exceeds the maximum threshold.

Taxpayers may be eligible for an additional \$500 credit for qualifying dependents age 17 or older.

Alternative minimum tax (AMT)

Tax brackets

AMT income	Tax
Up to \$194,800*	26%
Over \$194,800	28%

* \$97,400 if married filing separately

AMT exemption

	Exemption	Phased out on excess over
Married filing joint and surviving spouse	\$111,700	\$1,020,600
Unmarried individual	\$71,700	\$510,300
Married filing separately	\$55,850	\$510,300
Trusts and estates	\$25,000	\$83,500

Capital gains and losses and dividends

	Long-term capital gain rate (longer than one year)		
	0%	15%	20%
Single	\$0–\$39,375	\$39,375–\$434,550	\$434,550 +
Married filing jointly and surviving spouse	\$0–\$78,750	\$78,750–\$488,850	\$488,850 +
Head of household	\$0–\$52,750	\$52,750–\$461,700	\$461,700 +
Married filing separately	\$0–\$39,375	\$39,375–\$244,425	\$244,425 +
Trusts and estates	\$0–\$2,650	\$2,650–\$12,950	\$12,950 +

Determine your capital gain bracket by adding your net long-term capital gains and/or qualified dividends to your other taxable income net of deductions.

For example, assume a joint filer has net taxable income of \$80,000 which includes \$15,000 in net long-term capital gain. The first \$13,750 of the gain falls within the 0% rate threshold of \$78,750 and will be taxed at 0%; while the remaining \$1,250 of capital gain is above the \$78,750 threshold and will be taxed at 15%.

Short-term capital gain rate (one year or less)	Taxed at ordinary income tax rate.
Dividends	Qualified dividends are taxed at the long-term capital gain rates. Nonqualified dividends are taxed at ordinary income tax rates.

Higher rates apply to collectibles and unrecaptured §1250 gain. Consult your tax advisor about how they apply to your situation.

Netting capital gains and losses

1. Net short-term gains and short-term losses.
2. Net long-term gains and long-term losses.
3. Net short-term against long-term.
4. Deduct up to \$3,000 of excess losses against ordinary income per year.
5. Carry over any remaining losses to future tax years.

Education planning

Education Savings Accounts (ESA)

- Maximum nondeductible contribution is \$2,000 per child, per year.
- Maximum contribution amount is lowered if a contributor's modified adjusted gross income (MAGI) is between:
 - \$95,000 and \$110,000 for individual filers
 - \$190,000 and \$220,000 for joint filers
- No contributions can be made if contributor's MAGI exceeds the stated limits or the beneficiary is age 18 or older.
- Interest, dividends, and capital gains grow tax-deferred and may be distributed federal-income-tax free as long as the money is used to pay qualified education expenses.

529 plans

- Earnings accumulate tax-deferred; qualified withdrawals may be federal-income-tax-free.
- State-tax incentives available in some states.
- Contributions up to \$75,000 (single) and \$150,000 (married couples) allowed in one year without a reduction in the applicable gift/estate tax exclusion (see page 11). No additional gifting in the current year or next four years without incurring potential gift tax implications.

Please consider the investment objectives, risk, charges, and expenses carefully before investing in a 529 savings plan. The official statement for a specific plan, which contains this and other information, can be obtained by calling your Financial Advisor. Read it carefully before you invest.
